Cross shop between Brand A & Brand B grew substantially while Co-branded campaign was active

SITUATION

Brand A and Brand B came together for co branded campaign for a tentpole event. The goal was to leverage Instacart and the power of scale to grow category sales and share for each brand.

of Baskets including both Brands by Week

IMPACT

1. Shoppable Display encouraged cross-shop of brands during the campaign time period boosting basket size +27%.
2. The co branded shoppable display led to a +12pts Increase in New Buyers of Brand A

** Product Combo% = Number of baskets including both brands/Number of baskets including Brand A or Brand B*
** Growth% was calculated b/t the week of 10/17 & 10/24 vs. the prior two weeks*
